

## Sector Partner for National Jal Jeevan Mission

Department of Drinking Water & Sanitation (DDWS), Ministry of Jal Shakti is implementing Jal Jeevan Mission (JJM) with an objective to provide tap water connection to every rural household of the country by 2024. Further, to make water everyone's business, the mission strives to build partnerships and work together with various institutions/ individuals to achieve drinking water security for all.

Many Voluntary Organizations (VOs), Non-Governmental Organizations (NGOs), Social service & charity organizations, and professionals/ individuals already working in the field of water have shown genuine interests to be partner in this ambitious program to holistically address the challenges, viz. depleting water sources, increasing water quality-issues, lack of in-village infrastructure, poor Operation & Maintenance (O&M), lack of resource efficiency, competing water demands from various sectors, etc.

Accordingly, DDWS had sought Expression of Interest from all the interested organizations in two phases. A total of 330 applications were received from various organizations expressing their interest in becoming Sector Partners. DDWS has shortlisted 175 organizations to engage them as Sector Partner for the Jal Jeevan Mission. The list of selected organizations is **annexed**.

A Memorandum of Understanding (MoU) will be signed with the Sector Partners and this association will be reviewed every year in order to extend the tenure of engagement with the agency subject to satisfactory performance. The organizations are expected to play a key role in supporting the implementation of JJM by working closely with the National Mission/ States to achieve the goal of 'HarGhar Jal'. The Sector Partner would provide support at National, State and District level and the role and responsibilities of the Sector Partners will be as under:

- i) Policy advice;
- ii) Programme Management: extending implementation support at the State, district and GP level i.e. support in gap-analysis of institutions such as DWSSMs, VWSCs, etc.;
- iii) Support in change management at State Level prepare modules and build capacities of staff at various levels, viz. DWSSMs, DWSSMs, ISAs, VWSCs through cascading approach;
- iv) Support in target IEC interventions by preparing BCC/IPC packages for States and support in roll out;
- v) Knowledge Management: documentation of success stories, various success models of implementation of the mission on field for cross learning, etc.;
- vi) Capacity building and training programme for stakeholders as mutually agreed upon;
- vii) Community engagement: organizing awareness campaigns;
- viii) Water Quality Monitoring & Surveillance - handhold states and districts to strengthen WQM&S and support in NABL accreditation, sharing of lab results with community, etc.; and
- ix) Any other activity as per need of the mission and mutually agreed upon by the parties.

The Sector Partners to submit their Annual and Quarter-wise Plan up to 2024 highlighting the activities to be carried out at different levels, viz. National, State and District.
